Eller & Eller  
Haumont Influence  
Production Sale

**Saturday Nov. 27, 1976**  
**Coldwater Kansas**  
**12:00 NOON**

**TIME AND LOCATION:** The Eller & Eller Production Sale will be held Saturday, November 27 at the Coldwater Commission Co., Coldwater, Kansas. Coldwater is located in south central Kansas at the junction of U.S. 160 and U.S. 183. The sale will begin at 12:00 noon, Saturday, November 27.

**PRE-SALE GATHERING:** The Ellers will host a get acquainted time the evening before at 7:00 p.m. It will be held at the Branding Iron Motel in Coldwater. You are cordially invited to come early and inspect the cattle.

**TRANSPORTATION:** There is an air strip for small twin engine planes beside the sale barn. Commercial air service is available to Dodge City, Kansas. Transportation will be available.

**SALE HEADQUARTERS:** Branding Iron Motel, reservations can be made directly to the motel 316-582-2161 or to the sale manager 316-227-2393. The alternate motel will be the Comanche Motel 316-227-2104. Motels are in Coldwater.  
**PHONE TO USE SALE DAY: 316-582-2107**

It is with great pleasure that we welcome you to the Eller & Eller Production Sale at 12:00 noon on November 27 at the Coldwater Commision Company, Coldwater, Kansas.

When we started talking about having a sale, everyone was in good health. However, since then, allen and his father, Loyd, had a car accident hitting head-on with Allen's daughter, Lori. They are having many complications with that and also, Allen's wife, Linda, has been in the hospital.

The family situation today is that they just cannot handle the cattle. So, it is with great regret that we announce that the Eller's will be selling out. This sale will consist of the top cut of the herd.

This is an opportunity that only happens rarely and especially in a herd with as many years of the Haumont blood line.

These cattle are in range condition, because fat cattle cause hard breeders and expensive mistakes.

You will be able to buy honest cattle, cattle which date back to the beginning of performance testing.

Again, on behalf of the Eller family you are invited to take the advantage of this offering for your own herd.

Sincerely,  
Larry North

**Health:** Each animal will be represented by a State approved Health Certificate in accordance with the health regulations of the State of Kansas for Interstate shipment. Buyers should make themselves aware of the health requirements of their respective states. Cattle sold to Canada and Wisconsin will be held and tested for those areas before shipping. The Eller and Eller herd practices the most stringent health program and no problems meeting your state's requirements are anticipated.

**Liability:** Each animal will be the buyer's risk as soon as sold, but will be cared for by the seller for a reasonable period of time. Neither the owners, employees, auctioneer, sale manager or other affiliated personnel can be responsible for any accidents, but they will make every effort to provide for the safety and comfort of those attending.

**Breeding Guarantee:** The standard guarantee endorsed by the American Shorthorn Association will be followed. A provision of this guarantee is notification to the seller within 6 months of the sale date if an animal fails to be a breeder. All cattle sell with completed ASA Certificates that will be transferred to the new owners following the sale.

**Terms:** The Terms of this sale are cash unless previous arrangements have been made with Eller & Eller or the Sale Management. Settlement to be made with the clerk immediately following the auction and before cattle are removed from the premises.
